1. And I shall come upon thee in power, might, grace and glory; and who will wish they had followed Me to the end, and seen My beginning from the end, the end from the beginning that wasn't, that now is; and yea all things are made apparent and manifest in the world that I once knew, yea that I know always, that you now know, that you knew; and now you operate in the fullness of and bring forth in others the fullness of I Am/We are One.

2. And who will be sorry for what they did not/could not see? Yea, many; but forfeit not the opportunity of this day/time/season/moment; yea upon you in joy and delight, honesty/integrity; the fullness of My smile, My touch, My caress coming forth.

3. Fear of failure grips so many; but who can see the beauty of one success and define it as I do; Father's heart come forth, and yea the flesh of flesh man now appearing not as Me, but Me appearing; in and through and transcendent, and yea worlds operating in?
I love you.
I give you Me.

4. Sonshine of only Me you now bask in on shores many, far and away, far and near; and ever so quickly; at your disposal not, despairing never again; but walking/entering My delight in the newness of what/where I bring you into now.

5. All things considered, not; all things walked in, in the fullness of I Am.
I thank you. Amen.
